### Purpose of Meeting:

The Federal Cybersecurity and Privacy Professionals Forum (The Forum) is an informal group sponsored by NIST to promote the sharing of information system security and privacy information among federal agencies. The Forum hosts half-day meetings to discuss current issues and items of interest to those responsible for protecting non-national security and privacy systems across the federal government each fiscal year. The Forum plays a valuable role in helping NIST to share information directly with federal agency information security program managers in fulfillment of NIST's cybersecurity leadership mandate under the Federal Information Security Modernization Act (FISMA).

Expected presentations on:

### ***Building a Consistent and Repeatable Assessment Process – PBGC's Journey,***
