

Dear all,

Since Verizon discontinued BlueJeans, we decided to switch to **Zoom for Government**, also called **ZoomGov**.

On your side, everything will be the same as with the usual Zoom: you can join in the browser or with your usual **Zoom desktop application (we recommend this option for stability)**, and no need to have a Zoom account to join.

Please find the detailed invitation below.

More details on how to join a Zoom meeting can be found in this video from Zoom:

Sincerely,
