

Dave Cullinane
Founder
Security Starfish, LLC

Dave Cullinane is a founder of Security Starfish LLC – an alliance of industry security professionals designed to effectively address cybercrime through collaborative intelligence research and preventive actions. Prior to Security Starfish he was the CISO and VP of Global Fraud, Risk and Security for eBay for 5+ years. Prior to joining eBay, Dave was the CISO for the sixth largest bank in the United States and the largest Thrift in the world. He has more than 30 years of security experience and has been awarded the Certified Information Systems Security Professional (CISSP), Certified Business Continuity Professional (CBCP) and Certified Protection Professional (CPP).

Dave is a founding member and Chairman of the Board of the Cloud Security Alliance. He is the past President and past Chairman of the IT-ISAC – an organization for sharing security related information across companies in the IT industry. He served as a member of the IT Sector Coordinating Council and the National Council of ISACs. He is an ISSA Fellow, and has been elected to the ISSA Hall of Fame. He served on ASIS International's CSO Roundtable Committee and on the Editorial Advisory Board of CSO Magazine and SC Magazine. He is a member of the International Association of Privacy Professionals. He was awarded SC Magazine's Global Award as Chief Security Officer of the Year for 2005 and CSO Magazine's 2006 Compass Award as a "Visionary Leader of the Security Profession." In 2012 he was awarded SecureWorld's first Lifetime Achievement Award for his outstanding contributions to the advancement of the information security community.
