

Welcome to the workshop!

# Workshop Structure

- Balance between Plenary and Track sessions
- Stay within Boundaries
- Engage in necessary discussions and debates
- Capture the agreements as well as dissention
- Forge a way ahead during Hotwash sessions on Thursday morning

# How do we define Success?

- Information Sharing
- Enough material to publish an updated NIST Interagency Report (NISTIR)
- Draft strawman for those topics that are mature or substantive enough to be considered for Special Publication status
- Way ahead for Privilege Management
