

## ***The Net Cetera Community - Outreach Toolkit***

The Net Cetera Community Outreach Toolkit is online now at <http://www.OnGuardOnline.gov/netcetera> ! It can help anyone reach members of their community with important information about helping kids stay safe online. The toolkit includes *Net Cetera*, a guide for parents; *Heads Up*, information for kids; presentation slides and notes; videos for parents and for kids; and ideas to help people spread the word about being safe online, with practical information about cyberbullying, texting, file-sharing and using mobile phones. All the materials are in English and Spanish on the kit's CD and DVD.

The toolkit materials are free and in the public domain. You can encourage educators, law enforcers or community leaders to use them during a classroom presentation, community gathering or PTA meeting.
