**Privacy and the Federal
Government:
*Major Issue Areas for Security
Educators***

- Security is possible without privacy
- Privacy is impossible without security

**Security Officers and
Staff – Build a
Relationship with your
Privacy Officer**

**Potomac
Forum, Ltd.**

Privacy and the Federal Government: *Major Issue Areas for Security Educators*

- **Operational:**

Getting Work Done vs. Security
– What is the Balance?

- **Organizational:**

Roles and Responsibilities of
Security Officer & Privacy Officer

- What are the boundaries
- What are the Responsibilities?

(Who is going to testify before the
Government Reform and Oversight
Committee?)

- Program Offices vs.
OCIO vs.
Privacy Officer (if not part of
OCIO)

**Privacy and the Federal
Government:
*Major Issue Areas for Security
Educators***

**Organizational
Governance**

1. In Writing
 2. Understood
 3. Robust,
 4. Implemented
- and
5. Signed by
Agency

Head
