

23RD ANNUAL FISSEA CONFERENCE AGENDA
MARCH 23-25, 2010
“UNRAVELING THE ENIGMA OF ROLE-BASED TRAINING”

DAY ONE: TUESDAY, MARCH 23, 2010		
8:00-8:45	Registration, Breakfast, and Networking - Entertainment: Charles Tolbert, Electric Violin <i>Registration tables in front of Auditorium; Breakfast set up in Atrium</i>	
8:45-9:15	Welcome and Opening Ceremonies – Cheryl Seaman, NIH, FISSEA Conference Director - Cita M. Furlani, NIST Welcome - John F. Jones, Jr., Ph.D., Chief Information Officer, NIH Welcome; Brenda Oldfield, DHS Welcome - <i>Auditorium</i>	
9:15-9:35	Enigma Presentation/Demonstration – Courtesy of National Security Agency, Scott Massey	
9:35-10:15	Keynote Address: State of Awareness and Training: Then vs. Now: Lessons from Cracking the Enigma John G. O’Leary, CISSP, O’Leary Management Education	
10:15-10:30	Morning Networking Break	
10:30-11:55	Workforce Initiatives Panel - Moderator: Mark Wilson, NIST; Panelists: Chris Kelsall, DON/CIO; Maureen Higgins, OPM; Dagne Fulcher, Federal CIO Council IT Workforce Committee; Brenda Oldfield, DHS	
11:55-12:00	FISSEA 2009 Educator of the Year Award Presentation – Luke Andersen, 2008 Recipient, Global Knowledge	
12:00-1:00	Networking / Lunch Provided - Atrium	
	TRACK 1: ROLE BASED TRAINING - AUDITORIUM	
	TRACK 2: OPEN FORUM – BALCONY C	
1:00-1:50	Panel: Identifying Personnel with Significant Responsibilities for Information Security – Moderator: Rich Kurak, NASA; Panelists: Michael Ashworth, DOI (call-in); Lance Kelson, Interior; Mark Wilson, NIST; John Ippolito, Allied Technology	We have Met the Enemy: Stopping Social Engineering and Insider Attacks Albert Lewis, Edgewater Federal Solutions, Inc.
1:55-2:25	Towards an Information Assurance Education Standard Lance C. Pérez, NSF	Lessons Learned from the Trenches of Virtual Learning (awareness level) John Sciandra, NACON Consulting, LLC
2:25-2:45	Afternoon Networking Break - Atrium	
2:45-3:25	Panel: Tracking Role-Based Training Across Agencies Moderator: Susan Hansche, Avaya Gov’t Solutions/DoS; Panelists: Terri Cinnamon, VA; Chris Kelsall, Dept. of Navy; John Ippolito, Allied Technology	Awareness Out of the Box: New Ways to Present Meaningful Security Messages Susan Farrand, U.S. Department of Energy
3:30-3:50	New from NIST Donna Dodson, NIST	
3:50-4:10	Introduction to FISSEA Executive Board Candidates/Door Prizes – Susan Hansche, FISSEA Chair	
4:10	Day One Close – Cheryl Seaman	
	DINNER GET TOGETHER – sign up at conference – Black Finn American Restaurant, 4901 Fairmont Ave, Bethesda	

FISSEA DAY TWO: WEDNESDAY, MARCH 24, 2010 VENDOR EXHIBITION - ATRIUM		
8:00-8:45	Registration, Breakfast, and Networking <i>Registration tables in front of Auditorium; Breakfast set up in Atrium</i>	
8:45-9:20	Welcome Day 2 – Cheryl Seaman, NIH, FISSEA Conference Director FISSEA Awareness, Training, and Education Security Contest Awards – Gretchen Morris, FISSEA Contest Coordinator <i>Auditorium</i>	
9:20-10:00	Keynote Address: The Federal Cyber Workforce: What Skills Matter Karen S. Evans, Partner, KE&T Partners, LLC	
10:00-10:25	DHS/DoS Cybersecurity Training Exercise Program Susan Hansche, Avaya Gov't Solutions/DoS	
10:25-10:30	Door Prizes	
	Exhibit Hall Open – 10:00am – 3:00pm Vendor Exhibition	
10:30-10:50	Morning Exhibit Hall Break	
	TRACK 1: ROLE BASED TRAINING - AUDITORIUM	TRACK 2: OPEN FORUM – BALCONY C
10:50-11:30	Difficulties in Evolving the Cybersecurity Workforce: As Clear as A.I.R. (Archaic Ineffective Requirements) Corey T. Jackson, Federal Bureau of Investigation	Cyber Human Capital Topics: Building & Sustaining a Cyber Capability Vicente Gonzalez, Jr., Booz Allen Hamilton
11:30 -1:00	Dedicated Exhibit Hall Hours/ Lunch Provided – Atrium	
1:00-1:40	Navigating the Path from the NIST SP 800-16 to a Role-Based Course Gretchen Morris, DB Consulting/NASA	The New Sheriff in Town – NIST SP 800-37, Rev. 1 – “Authorization” Al Payne and Jim Litchko, Cyber Security Professionals, Inc.
1:40-2:20	How Information Security Competency Models Drive Security Integration Terri Cinnamon, Department of Veterans Affairs	The Road to the DC3 Challenge Mark Hufe, Wilmington University
2:20-2:40	Afternoon Exhibit Hall Break - Atrium	
2:40-3:00	FISSEA Business Meeting, FISSEA Executive Board Election, Door Prizes – Everyone Invited Susan Hansche, FISSEA Chairperson	
3:00-3:30	FISMA Phase II: Risk Management Training Patricia Toth, NIST	The Bottom Line: Helping Information Security Specialists Develop a Head for Business Lynn McNulty, (ISC)2
3:30-4:00	Maintaining a 24/7 Army Information Assurance Workforce: Lessons Learned from a Researcher’s Perspective Curtis Arnold, U.S. Army Research Laboratory	A Million Phishing Emails... and What Did we Learn? [technical perspective] Rohyt Belani, Intrepidus Group
4:00-4:10	Day Two Close – Cheryl Seaman	

FISSEA DAY THREE: THURSDAY, MARCH 25, 2010

8:00-8:45	Registration, Breakfast, and Networking <i>Registration tables in front of Auditorium; Breakfast set up in Atrium</i>	
8:45-9:00	Welcome to Day Three – Cheryl Seaman, FISSEA Conference Director, NIH <i>Auditorium</i>	
9:00-9:40	Keynote Address: Every new IT gimmick means angst: What to do about it Neil E. Grunberg, Ph.D., Uniformed Services University of the Health Sciences	
	TRACK 1: ROLE BASED TRAINING - AUDITORIUM	TRACK 2: OPEN FORUM – BALCONY C
9:45-10:30	Who will be your avatar in vGOV? Paulette Robinson, NDU (call-in); Beverly McCarter, NDU; Chris North, USDA (call-in); Susan Hansche, Avaya Gov't Solutions/DoS	DOC IT Security Workforce Carolyn M. Schmidt, DOC/NIST
10:20-10:40	Morning Networking Break	
10:45-11:15	VTE 800 Hours of Role-based On-demand Training, Coming Soon James Wrubel, Carnegie Mellon University	Panacea or Pandora - An Open Source Greek Tragedy James R. Lindley, Internal Revenue Service
11:15-12:00	Computer Network Defense (CND) Simulators for Training and Exercise Chet Ratcliffe, EADS North America Defense Security and Systems Solutions, Inc.	It's Go Time <i>Robots Attack</i> Family Internet Safety Paul Krasley, DIA
12:00-1:00	Lunch Provided - Atrium	
1:00-1:50	Panel: ISS LOB Tier 2 Training Moderator: Susan Hansche, Avaya Gov't Solutions; Panelists: Marirose Ziebarth, BAH; George Bieber, DoD; Richard Kurak, NASA; David Zwach, State	Using a Risk-based Approach to Align Security Architecture with the Business for DLP Deployment Jeff Bardin, IT Solutions LLC
1:50-2:20	Storytelling as an Interactive Learning Medium Tony DeMarinis & Daniel Bliton, Booz Allen Hamilton	Making the Courseware Fit. Lessons Learned Customizing Information Security Education Programs Paul Hinkle, Safelight Security Advisors
2:20-2:50	Afternoon Networking Break	
2:50-2:55	Door Prizes	
2:55-3:25	FISMArts – Improving Retention of FISMA Guidance Details with Mnemosyne Daniel Philpott, FISMAPedia.org	
3:25-3:50	Annual Speak Out – sign up at conference Moderator: Rich Kurak, NASA	
3:50-4:00	Conference Close – Cheryl Seaman, NIH
