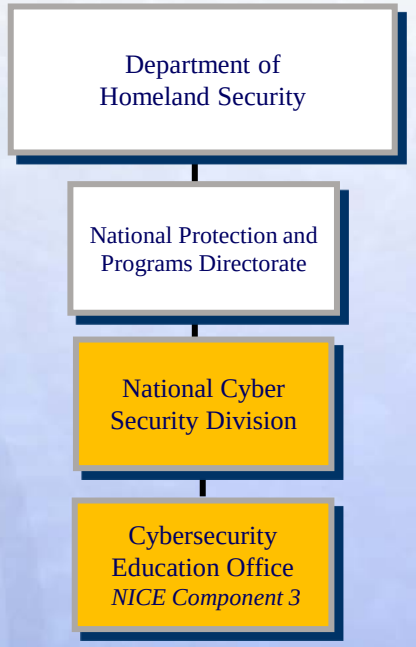
DHS/NCSD/SECIR/CEO

Cybersecurity Education Office



- The Cybersecurity Education Office (CEO) sits within the Department of Homeland Security's (DHS) Stakeholder Engagement and Cyber Infrastructure Resilience (SECIR) division, and plays a significant leadership role within NICE.
  - CEO leads the collaborative national effort to promote cybersecurity resources, education, training, & workforce development to help the U.S. protect itself against future cybersecurity threats
  - CEO's mission is to lead cybersecurity education, training, and workforce development for our Nation to protect against and respond to cybersecurity threats and hazards to the Homeland
  - CEO's vision is a nation of competent digital citizens and an agile, robust cybersecurity workforce that sustains a safe, secure, resilient cyberspace environment so that American interests, aspirations, and way of life can thrive
