

Federal Information Systems Security Educators' Association
AWARENESS • TRAINING • EDUCATION

Each year FISSEA recognizes a best entry in the FISSEA Website Contest. Websites must have a security theme and be a part of your organization's current security awareness program. They are judged on the basis of originality, security message, and graphic concept.

For 2009 we hereby award:

David Kurtz

Bureau of the Public Debt (BPD)
the honor of being selected as the

Security Website Contest Winner!

Emma A. Hochgesang-Noffsinger
FISSEA Executive Board Chair
