Type of Entry: Motivational Item

Title of Entry: A Stirring Reminder... (to log off before you leave for your coffee break)

Description of Entry: These security-minded beverage stirrs are intended to remind staff to log off before they go out for that refreshing coffee, tea, hot cocoa... or kayaking adventure. The paddle-shaped stirrs are crafted of maple and engraved with designs and messages that will *stir* the memories of those who may not always remember to log off.
