Sponsor(s): ______National Institute of Standards and Technology – Computer Security Division____________

Location: ____________NIST – 100 Bureau Drive, Gaithersburg MD__________________________

Name of Meeting Chair: ________ Jody Jacobs, NIST Computer Security Division________

Purpose of Meeting:

The Federal Computer Security Program Managers’ Forum (Forum) is an informal group sponsored by NIST to promote the sharing of information system security information among federal agencies. The Forum hosts three half-day meetings and a 2-day conference to discuss current issues and items of interest to those responsible for protecting non-national security systems across the federal government each fiscal year. The Forum plays a valuable role in helping NIST to share information directly with federal agency information security program managers in fulfillment of NIST’s cybersecurity leadership mandate under the Federal Information Security Modernization Act (FISMA).

May 2019 presentations include current technical, operational and management information systems security topics and updates on the activities of NSC, OMB, GAO, GSA, DHS, PBGC, HHS, and NIST. Presentations include:

- The Federal Acquisition Supply Chain Security Act of 2018
- ICT Supply Chain Risk Management Task Force Update
- Updates from OMB
- FY 2019 FISMA Metrics
- Small Agency Organization Information
- Update from the U.S. Government Accountability Office
- Security Control Overlay Development
- User Content in Phishing Susceptibility
- Privacy Framework and Collaboration Space
- Federal Information Processing Standard (FIPS) 140-3 Encryption
- Pension Benefit Guaranty Corporation Authorization to Use Guidance Overview
- Open, Public, Electronic, and Necessary (OPEN) Government Data Act

The Continuing Education Units form is provided as a courtesy. It is the responsibility of the attendee to complete and submit with their certifying authority.
