

Security Metrics Panel

Information Security and Advisory Board

December 8, 2006

Metrics for Trustworthiness

- Do they exist?
- Can they exist?
- Would/are they useful?
 - Are federally mandated ones effective?
 - Are others effective? In what settings?

Panel Members

- Jaren Doherty: CIO, HHS
- Bruce Brod: VP Info Assurance, CACI
- Richard Guida: Dir of Info Security,
Johnson & Johnson
- Steve Bellovin: Prof, Columbia University
