Revised Draft FIPS 201-2 Workshop

1) Purpose:

NIST is hosting a public workshop to exchange information on the Revised Draft Federal Information Processing Standards (FIPS) 201-2, answer questions, and provide clarifications regarding the Revised Draft. Federal Agencies and industry representatives are invited to discuss the Revised Draft FIPS 201-2 and share their observations on the proposed FIPS 201-2.

2) Workshop Program:

Time	Topic/Event	Speaker/Comments
Wednesday, July 25, 2012		
8:00 – 8:45 am	Arrival Check-in and Security	NIST Security
8:45 – 8:55 am	Host Introduction	Hildegard Ferraiolo, NIST
8:55 – 9:15 am	NIST Welcome	William Barker, NIST
9:15 – 9:30 am	Overview (Goals of the workshop, overall revision process)	Hildegard Ferraiolo, NIST
9:30 – 10:00 am	Change Management	Salvatore Francomacaro, NIST
10:00 – 10:15 am	OMB Policy / Effective Dates	Salvatore Francomacaro, NIST
10:15 – 10:30 am	Break	
10:30 – 11:00 am	Identity Proofing, Registration, and Issuance (OPM Springer memo, source documents, chain-of-trust, special rule for pseudonyms and grace period)	Ketan Mehta, NIST
11:00 – 11:45 am	Maintenance (renewal, reissuance, name change by cardholder, post-issuance updates, verification data reset)	David Cooper / Hildegard Ferraiolo, NIST
11:45 – 12:30 pm	Visual Card Topography	Annie Sokol, NIST
12:30 – 1:30 pm	Lunch	
1:30 – 2:00 pm	PIV Card Application	Hildegard Ferraiolo, NIST
2:00 – 2:45 pm	PIV Biometric Specifications	Patrick Grother, NIST
2:45 – 3:00 pm	Break	
3:00 – 3:45 pm	PIV Cardholder Authentication	Ketan Mehta, NIST
3:45 – 4:30 pm	Cryptographic Capabilities	David Cooper, NIST
4:30 – 4:50 pm	PIV Validation, Certification, and Accreditation	Ramaswamy Chandramouli, NIST
4:50 – 5:15 pm	Wrap-up	NIST / Attendees

3) Registration:

Registration prior to 5:00 P.M EDT July 18, 2012, is REQUIRED to attend the workshop in person. Registration for the Revised Draft Federal Information Processing Standards (FIPS) 201-2 Workshop is available online at http://www.nist.gov/itl/csd/ct/fips201-2_workshop_2012.cfm. Please go to the Conference Registration link and complete the registration form for the Public Workshop. Contact Angela Ellis (angela.ellis@nist.gov), if you have questions regarding registration.

4) Details:

Start date: Wednesday, July 25, 2012 at 8:45am

End date: Wednesday, July 25, 2012 at 5:15pm

Location: Green Auditorium, NIST – Gaithersburg, MD

Audience: Industry and Government

Format: Workshop

Sponsor(s): National Institute of Standards and Technology

5) **Presentations and Documentation** Presentations will be posted at the workshop website http://www.nist.gov/itl/csd/ct/fips201-2_workshop_2012.cfm.

6) Webcast

Participants that wish to attend "remotely" may participate using their web browser to view the webcast. Questions from remote viewers should be sent to piv_comments@nist.gov. Instructions for the webcast are provided at http://www.nist.gov/itl/csd/ct/fips201-2_workshop_2012.cfm.
