(NAME)

Title:	Federal Computer Security Managers' Forum August Meeting
Date(s):	August 19, 2019
CPE Hours Earned:	2.5 hours
Sponsor(s):	National Institute of Standards and Technology – Computer Security Division
Location:	NIST 100 Bureau Drive, Gaithersburg, MD 20899
Name of Meeting Chair:	Jody Jacobs and Jeff Brewer, NIST Computer Security Division

Purpose of Meeting:

The Federal Computer Security Program Managers' Forum (Forum) is an informal group sponsored by NIST to promote the sharing of information system security information among federal agencies. The Forum hosts half-day meetings and a 2-day conference to discuss current issues and items of interest to those responsible for protecting non-national security systems across the federal government each fiscal year. The Forum plays a valuable role in helping NIST to share information directly with federal agency information security program managers in fulfillment of NIST's cybersecurity leadership mandate under the Federal Information Security Modernization Act (FISMA).

The meeting included presentations on:

- FIPS 201-2, Personal Identity Verification (PIV) of Federal Employees and Contractors, Hildegard Ferraiolo, Computer Scientist, Computer Security Division, NIST
- Building a Security Authorization Strategy for Cloud Service Providers, Jaime Noble, Director for IT Security & Chief Information Security Officer, U.S. Department of Justice, Office of Justice Programs

The Continuing Education Units form is provided as a courtesy. It is the responsibility of the attendee to complete and submit with their certifying authority.
