

Subject: Comment about scope of PIV  
From: "Lewis, Al" <Al\_Lewis@sra.com>  
To: <drafflips201@nist.gov>

Will everyone need to use the PIV card for physical and logical access to all federally controlled facilities? Even for temporary or seasonal support staff? It appears from the text that FIPS 201 does not make any distinctions regarding who is required to have the PIV card for access, so the assumption would be that this would include everyone. Is this correct?

Thanks,
