A) CONOPS and Research Package Review and Task Force discussion.
CONOPS (Concept of Operations) and research guidance with templates and examples will be discussed during this meeting and feedback from the task force members is expected during the meeting or via email after the meeting.

B) Presentation/explanation of Teams
Based on the consensus from the discussion on the July18th MCSPWG meeting, the following teams are constituted and there is an open call for members:

1. Architecting Multi-cloud solutions that implement Zero Trust Principles
   1.a challenges
   1.b best practices
2. Continuously Assessing and Authorizing/Certifying Multi-cloud solutions
   2.a challenges
   2.b best practices

Team structure
- Two chairs will directly be responsible for each of the task forces listed above.
- For each team, Chairs and task force members are to commit ~ 4 hours/week on participation, and contribution focusing on the team’s topic and outcomes.
