

ZTA FOCUS GROUP MEETING SUMMARY

7-11-2023

The following questions were discussed:

1. Who is our customer (who is reading, implementing, etc.)
2. What is the publication process? Type of publication?
3. What is the desired outcome of any publications
4. Why should anyone care?
5. How will we/do we get government and industry adoption (executive roundtable(s), published, panels)
6. What is the current timeline for delivery? Is there a process map available.

Reviewed ZTA methodology.

- References.
- Steps.

Reviewed NIST SP 1800-35E, *Implementing a Zero Trust Architecture*.

- Reviewed table 3-2, controls.

Next steps:

- DRAFT research process by mid-August, 2023.
- Use cases by November 1, 2023.
