Recommendation 1: Ensure there is more motivation included along the lines of the following:

- 9/11/2001 happened.
- It happened in part because of the tower of babel between and among Federal agencies.
- If you don't want another 9/11/2001, then your agency will comply with this guidance.

Recommendation 2: Ensure that it is clear that every single PowerPoint should use the markings... or make it very clear when they should not.
