Please find attached my comment regarding the accuracy of the IDs in the CUI overlay.

Best,

Alex Adams
Sr. Information Security Associate

Comment #	Submitted By (Name/Org):*	Type (General / Editorial / Technical)	Source (publication, analysis, overlay)	Starting Page # *	Starting Line #*	Comment (include rationale)*	Suggested Change*
1	Alexander Adams/Tevora	Editorial	cui overlay			The unique sort IDs have some errors, for example AT-1 which is incorrectly indicated as AT-01-00-05 instead of AT-01-00-00. This makes it difficult to automatically map the controls.	Put the overlay through another review cycle to correct any remaining errors
